

Volunteer of the Month

Alister Waters

January 2025

Alister has worked hard over the summer on the cross-sectional project patrol, Flagstaff Down Under, tirelessly promoting the event.

He created posters, organised giveaway items, facilitated a colouring competition, oversaw the event setup and pack-down, and also helped coordinate the local Australia Day flag-raising ceremony for ANZAC Day.

Alister continues to support both Cub units at Flagstaff Hill, assisting with programming and organising nights, communicating with families, and supporting youth members.

Congratulations Alister.
